Potential investors should consult a professional advisor as to the suitability of a possible offer for the person concerned.

Nothing contained herein constitutes or should be construed as (i) investment, tax, financial, accounting or legal advice; (ii) a representation that any investment or strategy is suitable or appropriate to your individual circumstances; or (iii) a personal recommendation to you.

None of the Banks nor any of their respective affiliates and/or any of their or their affiliates' directors, officers, employees, advisers and/or agents accepts any responsibility or liability whatsoever for, or makes any representation or warranty, express or implied, as to, the truth, accuracy or completeness of the information in this announcement (or whether any information has been omitted from the announcement) and/or any other information relating to Group and/or its associated companies, whether written, oral or in a visual or electronic form, and howsoever transmitted or made available, or for any loss howsoever arising from any use of the announcement or its contents or otherwise arising in connection therewith.

In connection with the withdrawal of the United Kingdom from the European Union, the Banks may, at their discretion, undertake their obligations in connection with the potential IPO by any of their affiliates based in the EEA.

In connection with the Offer, each of the Banks and any of their respective affiliates may take up a portion of the Shares in the Offer as a principal position and in that capacity may retain, purchase, sell, offer to sell or otherwise deal for their own accounts in such securities and any other securities of the Company or related investments in connection with the Offer or otherwise. Accordingly, references in this Prospectus to the Shares being issued, offered, subscribed, acquired, placed or otherwise dealt with should be read as including any issue, offer, subscription, acquisition, dealing or placing by the Underwriters and any of their affiliates acting in such capacity. In addition, certain of the Underwriters or their respective affiliates may enter into financing arrangements (including swaps or contracts for differences) with investors in connection with which such Underwriters (or their respective affiliates) may from time to time acquire, hold or dispose of Shares. None of the Underwriters intends to disclose the extent of any such investment or transaction otherwise than in accordance with any legal or regulatory obligation to do so.

In connection with the Offer, Goldman Sachs, as stabilising manager, or any of its agents, may (but will be under no obligation to), to the extent permitted by applicable law, over allot Shares or effect other stabilising transactions with a view to supporting the market price of the Shares at a higher level than that which might otherwise prevail in the open market. The stabilising manager is not required to enter into such transactions and such transactions may be effected on any securities market, over the counter market, stock exchange or otherwise and may be undertaken at any time during the period commencing on the date of the commencement of conditional dealings in the Shares on the London Stock Exchange and ending no later than 30 calendar days thereafter. However, there will be no obligation on the stabilising manager or any of its agents to effect stabilising transactions and there is no assurance that stabilising transactions will be undertaken. Such stabilisation, if commenced, may be discontinued at any time without prior notice. In no event will measures be taken to stabilise the market price of the Shares above the Offer Price. Except as required by law or regulation, neither the stabilising manager nor any of its agents intends to disclose the extent of any over allotments made and/or stabilising transactions conducted in relation to the Offer.

In connection with the Offer, Goldman Sachs, as stabilising manager, may, for stabilisation purposes, over-allot Shares up to a maximum of 10% of the total number of Shares comprised in the Offer. For the purposes of allowing the Stabilising Manager to cover short positions resulting from any such over-allotments and/or from sales of Shares effected by it during the stabilising period, the Company has granted to it the Over-allotment Option, pursuant to which the stabilising manager may subscribe or procure subscribers for additional Shares representing up to 10% of the total number of Shares comprised in the Offer (the "Over-allotment Shares") at the Offer Price. The Over-allotment Option is exercisable in whole or in part, upon notice by the stabilising manager, at any time on or before the 30th calendar day after the commencement of conditional dealings of the Shares on the London Stock Exchange. Any Over-allotment Shares made available pursuant to the Over-allotment Option will rank pari passu in all respects with the Shares being issued or sold in the Offer, including for all dividends and other distributions declared, made or paid on the Shares, will be subscribed for on the same terms and conditions as the Shares being issued or sold in the Offer and will form a single class for all purposes with the other Shares.

For the avoidance of doubt, the contents of the Company's website, including the websites of the Company's business units, are not incorporated by reference into, and do not form part of, this announcement.

#### Information to Distributors

Solely for the purposes of the product governance requirements of Chapter 3 of the FCA Handbook Product Intervention and Product Governance Sourcebook (the "UK Product Governance Requirements"), and disclaiming all and any liability, whether arising in tort, contract or otherwise, which any "manufacturer" (for the purposes of the UK Product Governance Requirements) may otherwise have with respect thereto, the Shares have been subject to a product approval process, which has determined that the Shares are: (i) compatible with an end target market of retail investors and investors who meet the criteria of professional clients and eligible counterparties, each defined in the FCA Handbook Conduct of Business Sourcebook; and (ii) eligible for distribution through all permitted distribution channels (the "Target Market Assessment"). Notwithstanding the Target Market Assessment, "distributors" (for the purposes of the UK Product Governance Requirements) should note that: the price of the Shares may decline and investors could lose all or part of their investment; the Shares offer no guaranteed income and no capital protection; and an investment in the Shares is compatible only with investors who do not need a guaranteed income or capital protection, who (either alone or in conjunction with an appropriate financial or other adviser) are capable of evaluating the merits and risks of such an investment and who have sufficient resources to be able to bear any losses that may result therefrom. The Target Market Assessment is without prejudice to any contractual, legal or regulatory selling restrictions in relation to the Offer. Furthermore, it is noted that, notwithstanding the Target Market Assessment, the Underwriters will only procure investors who meet the criteria of professional clients and eligible counterparties. For the avoidance of doubt, the Target Market Assessment does not constitute: (a) an assessment of suitability or appropriateness for the purposes of Chapters 9A or 10A respectively of the FCA Handbook Conduct of Business Sourcebook; or (b) a

recommendation to any investor or group of investors to invest in, or purchase, or take any other action whatsoever with respect to the Shares. Each distributor is responsible for undertaking its own Target Market Assessment in respect of the Shares and determining appropriate distribution channels.
